

Sparkling Fermented Tea

A perfect blend of organic acids and tea

Sip the tart, bubbly taste of wellness as Kombucha Wonder Drink detoxifies you and provides a natural lift. How? It uses a perfect blend of organic acids and tea, that the Himalayans have revered for over 2,000 years. Now available in five spirited flavors.

Old wisdom is refreshingly cool.

Know Wonder

An authentic wellness beverage with unique flavor, history and health benefits, kombucha is one of today's hottest categories in natural foods. Launched in 2002, Kombucha Wonder Drink became the first national kombucha brand, winning loyal customers with superior flavors and packaging design.

FERMENTED TEA BECOMES SPARKLING KOMBUCHA

A culture of friendly yeast and bacteria transforms organic tea into a energizing brew we know as kombucha. Resulting organic acids provide the unique flavor and health benefits. Kombucha originated in the Far East over 2,000 years ago and is now enjoyed on several continents.
