

HALF-SWEET EXTRA SPICY GRIZZLY CHAI

Grizzly Chai is a half-sweet extra spicy chai. This thoughtfully crafted concentrate is perfect for creating seasonal beverages such as pumpkin spice chai lattes or eggnog chai lattes. Since most flavorings are sweetened, using this half sweet concentrate makes beverages with a better balance of flavor, spice, and sweetness. This chai is also great on it's own as a less-sweet chai option!

Size: **32 oz**

Concentration: **1 part chai to 3 parts milk**

Amount of Prepared chai made per carton: **128 oz**

Number of 8oz Servings per carton: **16 cups**
