DISCOVER THE ULTIMATE, FULL BODIED FRAPPÉ BASE : 1883 NEUTRAL FRAPPÉ MIX

This textured product gives body to your gourmet creations, while remaining totally neutral to leave room for your inspiration and the flavour of your choice.

MORE THAN JUST A FRAPPÉ MIX

1883 NEUTRAL FRAPPÉ MIX brings texture and smoothness to your frozen beverages without adding any unpleasant flavour notes. It allows the flavours of the syrups of your choice to express themselves and unfold freely.

CREATE A FULL RANGE OF BLENDED DRINKS:

The all-new Frappé Mix is the ideal ingredient for creating a variety of drinks with a blender:

Smoothies, Frozen Latte, Vanilla Frappé, Frozen Lemonade, Caramel Frappé Latte etc...

1883 Frappé Mix comes as a liquid and not as a powder like the vast majority of the market, thanks **to the know-how** and **excellence** of **1883**. So much **easier to work** with than powdered Frappé bases, **1883 Frappé Mix is easy to dose**. It is then up to you to choose the flavours and aromas to instill into your blended creations.

1883 Frappé Mix - allows you to dress up in 3D the gourmet flavours of chocolate, coffee, vanilla, caramel, as well as all your fruity flavours.

Easy to dose, in a PET bottle with pump, for use which combines accuracy and mastery.

The cleanest, most natural **Frappé Mix** on the market, with **no artificial ingredients** and **no preservatives**.

It contains only **5 ingredients** (cane sugar, water, salt, citric acid, and xanthan gum).
