EXCEPTIONAL FRUITY CREATIONS

The warm hues of a blazing orange colour bring to mind the final rays of the setting sun over a tropical rainforest. The passion fruit unveils its subtle juxtapositions in **Création FRUITS 1883 PASSION FRUIT**. The sweetness of the exotic fruit is blended with a touch of acidity that awakens the senses. A refined floral hint comes forth, evoking the scent of the fruit's serrated flowers. Finally, the sulphurous notes of the passion fruit reveal themselves in all their delicate nature. A beautiful harmony that underlines the authenticity of this South American fruit and treasure that the conquistadors brought home to Europe.
