

THE VIVACITY OF HIBISCUS

The ardent colour of this 1883 syrup recalls summer gardens bursting with the multiple hues of magnificent exotic hibiscus and their generous, sun-drenched petals. Its intense, vigorous flavour brings you that same richness that explodes on the palate in a whirlwind of flavours and elation.

AUTHENTICITY

1883 captures all of the complexity of hibiscus in an aromatic composition of remarkable accuracy that, from an exceptionally fruity and subtly honeyed attack, extends into sweet woody notes, for a slightly cooked finish.

PURITY AND INTENSITY___

1883 Hibiscus syrup combines the power of its fruity notes with the delicateness of floral and nutty touches amidst perfectly harmonious honeyed woody accents.

1883 Hibiscus syrup enhances teas, coffees and chocolates with its sweet woody flavours that pair just as well with sodas and fruit juices. Its deep red-fruit notes add a modern touch to wines and beers, while its subtle floral and nutty notes turn the simplest cocktail into truly refined beverage.
